THE PURPOSE OF THIS GUIDE

This Financial Services Guide (FSG) is designed to assist you in deciding whether to use any of our services and contains important information about the services we offer you, how we and our associates are paid, any potential conflicts of interest we may have and what to do in the event of a complaint. You are able to contact us by phone, in writing, email or in person.

WHO DO WE ACT FOR

We usually act on your behalf and in your interests in all matters. Sometimes, it may be more appropriate for us to access insurance or manage claims where we act as an agent of the insurer. If and when this situation arises we will explain and highlight this to you.

OUR PRODUCTS AND SERVICES

We can advise and arrange a broad range of insurances on your behalf including: Home Building and Contents, Private and Commercial Motor, Farm, Business Packages, Construction, Liability, Industrial and Professional covers, Life insurance, Income Protection and Trauma. We offer a range of services to assist you to protect your assets and guard against unexpected liabilities including reviewing and advising on your insurance needs, Identifying risk factors to avoid claims and seeking competitive premium quotations

RETAIL CLIENTS

Under the Corporations Act 2001 (The Act) Retail Clients are provided with additional protection from other clients. The Act limits general insurance Retail Clients to: Individuals or a manufacturing business employing less than 100 people or any other business employing less than 20 people And that are purchasing the following types of insurance covers: motor vehicle, home building, contents, personal and domestic, sickness/accident/travel, consumer credit and other classes as prescribed by regulations. Typically whenever we provide Life insurance products or services to you, you will always be treated as a Retail Client. Some of the information in this FSG only applies to Retail Clients and it is important that you understand if you are covered by the additional protection provided.

RETAIL CLIENT ISSUES

Typically we only provide General Advice to our general insurance Retail Clients. General Advice does not take into account your particular needs and requirements and you should consider the appropriateness of this advice to your circumstances prior to acting upon it. We will provide you with a General Advice Warning in such cases.

If you are a new general insurance Retail Client purchasing Personal Accident or Sickness insurance or a Life Insurance client and obtain Personal Advice, that is, advice that takes into account your particular circumstances, we will give you a **Statement of Advice (SOA)**, that sets out the advice provided and the basis on which the advice is made and our remuneration should you purchase the product. For existing General Insurance Retail Clients we may not provide an SOA but rather provide the advice to you orally. In such cases you may request us to provide you with a Record of Advice (via phone or in writing), which we will provide to you within 28 days of such request.

When you ask us to recommend an insurance policy for you, we will usually consider the policies offered by the insurance providers that we deal with regularly. In giving you advice about the costs and terms of recommended policies we have not compared those policies to other policies available, other than from those insurance providers we deal with regularly.

If we recommend the purchase of a particular financial product, we will also give you a **Product Disclosure Statement** at that time, which sets out details specific to that product and the key benefits and risks in purchasing the product.

When we give you General Advice, full commission information (including dollar amounts) will be provided on request.

We have a set of standard non refundable Broker Fees that we charge you for services such as: market research on products available, assessing the claims service of insurers, sourcing alternative quotations and coverage, risk analysis and portfolio co-ordination. All fees payable for our services will be advised to you at the time of providing the advice or service.

We may receive additional remuneration from insurers with whom we have profit share or volume bonus arrangements. This remuneration is payable if we meet certain agreed sales and/or profitability targets set by the insurer. If we have profit share arrangements with an insurer that apply to a product we recommend to you, we will advise you of this at the time of making any such recommendation if the amount involved is material.

We retain the interest on premiums paid by you that are held in our trust account before paying the insurer.

If you pay by credit card we may charge you a credit card (incl. arrangement & handling) fee, which is disclosed and shown separately on our invoices, they are non-refundable. This fee covers the cost of bank charges & processing costs etc. associated with such facilities.

Premium funding products enable you to pay your premiums by installments. Premium funders do charge interest. We can arrange premium funding if you require it.
